Hurray Spring.

- We hope you all have enjoyed the Annual Easter concert. Our kids did a very good job and we are proud of each one of them.
- With the Spring theme we were able to come out and play, walk around the community learning about weather, nature, animals, rain showers... etc.
- Thank you for your contribution and collection toward the cause of Muscular Dystrophy, supporting families affected by a neuromuscular disorder and thru your help we were able to raise $401.00. Our kids participated for the hop-a-thon day by hopping, dancing, jumping and doing their body moves for this cause.

This month the THEME : INSECTS
This theme is one of the most fascinating topic kids enjoy. They will have indoor/outdoor activities, games, play, songs & rhymes, etc., related to this theme. They will learn about the helpful and harmful insects, their habitat, life cycle and their body parts.

Weekly Themes:

Week 1 – All About Moms
Teaching the importance of family and All that our moms are and appreciating moms

Week 2 – Helpful Insects
About insects that help us and taking care of them

Week 3 – Harmful Insects
Caution!! !Harmful & poisonous insects and not harming them

Week 4 - Habitat of insects
Hiding places of insects we can find anytime, anywhere, anywhere.

Show & Tell every FRIDAY:

9th - Bring your moms favorite
23rd - Bring anything (drawing, picture, toy, book......) related to insects

Our OPEN HOUSE is coming up on the 31st May,2014 from 10 am to 2 pm. We are organising 2 workshops : Parenting and Preparing for Kindergarten. Please check the notice board for more info. Please feel free to come also with your friends who are interested to see and know about our daycare program.

Mothers Day Sunday, May 11th
Birthdays : Kathy – May 4th, Hadassah – May 26th

Please Note:
Those of you who has not yet given their individual photos and/or family pictures, please hand it to the room teacher to display in the class room.

We welcome donation of your unused books which are in good condition to Good Shepherd for our kids to use.
