We first of all thank every parent who came for the Harvest Party & Open House with their kids, friends and other family members. You all participated and involved to make it a fun filled evening for adults and kids. You had the opportunity to visit your child’s classroom to get an understanding of their curriculum and ask your questions and doubts. It also enabled us to get to know you all more. We thank the parents for being involved and enabling us to work alongside your child to bring the best out of them.
