**UNDER THE SEA**

**OUR WEEKLY THEMES:**

<table>
<thead>
<tr>
<th>Week 1: Types of Fish</th>
<th>Week 2: Sea Mammals</th>
<th>Week 3: Father’s Day &amp; Crustaceans</th>
<th>Week 4: Sea Anemones &amp; Plants</th>
</tr>
</thead>
<tbody>
<tr>
<td>There are all kinds of fish in the sea! Some are big and some are small. Where do they lay their eggs? How big are they when they hatch and how do they grow? What do they eat?</td>
<td>The ocean is full of unknown sea creatures. Let’s explore and find out what kinds of sea mammals live there!</td>
<td>Crabs! Lobsters! Shrimp! Crayfish! These are just a few of the crustaceans we have named... Dads will also be celebrated and talked about this week!</td>
<td>Did you know that under the ocean there are also lots of wiggly and spongy looking creatures called sea anemones?</td>
</tr>

**HAPPY FATHER’S DAY ON JUNE 21ST!**

Summer is just around the corner.....Soon we will be going on field trips, taking walks to the park, splashing through water days in the playground, and enjoying some nice outdoor picnics under the warm golden sun! Find out what activities we have planned by visiting our website.

But before we get to our summer program, let’s talk about what’s happening in June. As you can see above, this month’s theme is “Under the Sea”! Be a partner in your child’s learning by reading books with them about the ocean, taking them to your local fish store, enjoying a family movie night of “Finding Nemo”, or perhaps take a trip to an aquarium to see what interesting sea creatures they can find swimming behind the glass!

**At the end of this month, we will also be handing out report cards so that you can keep track of your child’s progress in their overall learning and development.**
