November is here! Since so many of our children love playing with cars, airplanes, choo-choo trains, and boats, we decided to explore the theme of transportation this month!

We will start off by talking about the different kinds of transportation we can use by land, then we will move on to how we travel by air and space, by sea, and lastly we will end the month off by talking about how we can stay safe during our travels. Remember to check our monthly calendar and weekly program plan posted outside our room on the bulletin board to stay updated with your child’s everyday learning! You can also visit our website at www.goodshepherd.ca.

Important Dates and Special Events to Remember:
- Remembrance Day is on Tuesday, November 11th.
- What to Bring for Show and Tell Wednesdays:
  - Oct. 12th: Bring something related to air and space (e.g., a toy airplane, rocket ship, etc.)
  - Oct. 26th: Bring something related to road safety (e.g., a helmet, elbow pads, road signs, etc.)
- On Tuesday, December 16th, we would like to invite all parents to attend our Christmas Concert!

LAST MONTH:

A Visit from the Dental Hygienist
It’s important to take good care of our teeth... especially if we want to avoid getting cavities.

The Harvest Party Parade!
Batman, Policeman, Knight, and King! SUPER HEROES TO THE RESCUE!!! The children had so much fun dressing up and eating lots of yummy treats!
