Happy New Year to all! Hope you all had a wonderful holiday and be ready for another excited year! During 2015, the preschoolers had been exploring different activities and learning a variety of themes. In 2016, we will continue ELECT and theme-based curriculum, which will include broad knowledge in different fields. Children will have the opportunity to sing, draw, learn through play, run and even more.

Warmly welcome Ms. Cynthia to our program to replace Ms. Daisy. Also welcome Xavier, Erica, Anirudh, Karen and Mila. Hope they all have a good time with our friends.
