Welcome new children to our program. During the previous two months, we have received some new friends and promoted some old friends. Now there are eleven children in the room, including two part time children.
The student teacher Nina will finish her field placement soon and will go back to school. Thanks for her efforts in our room during six weeks. We will also have another new student teacher afterwards.

Theme of the Month: Toys
We have found that toddlers are interested in life-related experience, such as: food, toys, so we decided to talk about toys in this month. Toddlers will be given opportunities to explore different toys according to the theme of each week.

1\textsuperscript{st} Week (Mar.3-7): Vehicles
2\textsuperscript{nd} Week (Mar.10-14): Balls
3\textsuperscript{rd} Week (Mar.17-21): Construction Toys
4\textsuperscript{th} Week (Mar.24-28): Puzzles

Show & Tell
The Show & Tell will still be every Wednesday. Parents are encouraged to bring in one item related to our theme. Children will have chance to show and talk about their items to the other children.
March 5: Your favourite vehicle
March 12: Your favourite ball
March 19: Your favourite construction toy, such as: Lego, block.
March 26: Your favourite puzzle

Please remember:
- Always leave one set of extra clothes in your child’s locker, so please check your child’s locker daily, especially when
