Welcome Anna and Tiffany to our program! Gordon and Nishanth will stay with their families for a few months. All the best wishes to them!
The student teacher: Ruby will finish her field placement by the end of April and resume her study at school. Thanks for her hard work and good help. The new student teacher: Landy will start her second field placement on April 28.
During April, we have been exploring spring’s weather, animals and plants. Children really enjoyed the animals, so we decided to focus on Farm animals on May. Children will have opportunities to learn about sheep, pigs, cows and horses. Also we will celebrate Mother’s Day by the second week of May. Happy Mother’s Day to all mothers!

The Theme of the Month: Farm Animals

1st Week (May 5-9): Sheep and celebrating Mother’s Day
2nd Week (May 12-16): Pigs
3rd Week (May 19-23): Cows
4th Week (May 26-30): Horses

Show & Tell
May 6: One of mother’s favourite snacks
May 14: A toy/picture/book about pigs
May 21: One of cow products
May 28: A toy/picture/book about horses

Please remember:
- Day care will be closed on May 19 for Victoria Day.
- Please dress your child appropriately according to the weather because we will have outdoor activities every day if the weather is permitted.
- Thanks for your support to Hop-A-Thorn.

Happy Birthday to Arshanah, Adrian and Albert! They are going to be two years old on May.
